

# Safety Resources

Worker safety must be the top priority in every workplace. There are numerous resources readily accessible to both employers and employees which can be relied on to help identify risks, protect people, train safety solutions and to enforce rules without prejudice to workers and employers.

## Safety Resource Hotlines

- CAS Substance Identification** ..... (800) 848-6538  
(Identify chemical substances by CAS number or name.)
- NIOSH Technical Information** ..... (800) 232-4636
- OSHA Hotline**..... (800) 321-6742  
(24-hour access line to report unsafe work practices.)

## American Safety Resources
